ARAG® Attorney Finder Instructions

ARAG Attorney Finder

You can obtain a list of Network Attorneys by using the ARAG **Attorney Finder**. This easy-to-use online tool creates customized provider lists based upon the criteria you enter. ARAG is continuously updating the information on attorneys, so you can rest assured you are receiving the most current information.

And when you log in as a member at ARAGLegalCenter.com, the Attorney Finder contains expanded information about each attorney, including number of years in practice and education.

To create a list of Network Attorneys

...if you are considering becoming a member of the ARAG Legal Plan:

- Go to the ARAG Legal Center for Miami-Dade County Public Schools: ARAGLegalCenter.com
- Click on the “Choose Your Plan” tab at the top of the page
- Click on the Attorney Finder link on the left hand side

...if you are already a member of the ARAG Legal Plan:

- Click on Member Log-in at ARAGLegalCenter.com
- Enter your User Name and Password or click “Create a user name and password for the first time”
- After logging in, click on the “Attorney Finder” tab at the top of the page

Most attorneys’ fees for covered legal services are **100% paid-in-full** when you use a Network Attorney.
