

**OPEN ENROLLMENT
IS AROUND THE
CORNER...
ARE YOU READY?**

OCTOBER 19, 2015 - NOVEMBER 6, 2015

**HEALTH & WELLNESS
FOCUSED
ON YOU**

Miami-Dade County Public Schools is moving toward providing you electronic communications about your healthcare benefits and open enrollment – a faster, more efficient way to receive vital benefits information. We need an accurate email address for you to receive regular, time-sensitive information. Please send us an email to update our records with your name, employee # and email address to:

retiree@dadeschools.net by October 1st, 2015.

If you do not have an active email address, you can create one by going to the home page of a free email provider. A few popular providers include

EMAIL
gmail.com

EMAIL
outlook.com

YAHOO!

EMAIL
yahoo.com

From there, click “sign up” or “create an account” and fill in the requested information. Follow the steps until completion to create an email address. As part of the process, you will need a personalized username that is specific to you so others can easily find you or remember your address.

Dependent Eligibility

Reminder: All retirees selecting healthcare, dental, vision and/or identity theft coverage for family must submit dependent eligibility documentation for all covered dependents.

Additional information regarding the Educational Sessions and Open Enrollment material is forthcoming.

FRS Online Account

By logging into your secure FRS online account at **www.myfrs.com**, you will be able to:

- Maintain your account profile, including: your user name, password and email address
- Enroll or change your direct deposit authorization for FRS payments
- Update your federal tax withholding
- Update your mailing address and phone number
- View and/or print your most recent benefit payment information (benefit stub) and recent payment history, including: your tax withholding, insurance deductions and health insurance subsidy payments.
